JUDGE JOHN M. HARLAN TO RETIRE.

It is rumored that Judge John M. Harlan, of the U. S. Supreme Court, is to retire from the bench, and will assist in raising funds for building a splendid new Presbyterian Church in Washington City.

Bad Stomach Makes Bad Blood.

You can not make sweet butter in a foul, unclean churn. The stomach serves as a churn in which to agitate, work up and disintegrate our food as it is being digested. If it be weak, sluggish and foul the result will be torpid, sluggish liver and bad, impure blood.

The ingredients of Dr. Pierce's Golden Medical Discovery are just such as best serve to correct and cure all such derangements. It is made up without a drop of alcohol in its composition; chemically pure, triple-refined glycerine being used instead of the commonly employed alcohol. Now this glycerine is of itself a valuable medicine, instead of a deleterious agent like alcohol, especially in the cure of weak stomach, dyspepsia and the various forms of indigestion. Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says of it:

"In dyspepsia it serves an excellent purpose." It is one of the best manufactured products of the present time in its action upon enfeebled, disordered stomach; especially if there is ulceration or catarrhal gastritis catarrhal inflammation or stomach, it is a most efficient preparation. Glycerine will relieve many cases of pyrosis (heartburn) and excessive gastric acidity. It is useful in chronic intestinal dyspepsia, especially the flatulent variety, and in certain forms of chronic constipation, stimulating the secretory and excretory functions of the intestinal glands."

When combined, in just the right proportions with Golden Seal vest Stome of the server.

flatulent variety, and in certain forms of chronic constipation, stimulating the secretory and excretory functions of the intestinal glands."

When combined, in just the right proportions, with Golden Seal root, Stone root, Bloodroot and Mandrake root, or the extracts of these, as in Dr. Pierce's Golden Medical Discovery, there can be no doubt of its great efficacy in the cure of all stomach, liver and intestinal disorders and derangements. These several ingredients have the strongest endorsement in all such cases of such eminent medical leaders as Prof. R. Bartholow, M. D., of Jefferson Medical College, Chicago: Prof. Hobart A. Hare, M. D., of Medical Department, University of Pa.; Prof. Laurence Johnson, M. D., Medical Department, University of Pa.; Prof. Laurence Johnson, M. D., Medical College, Chicago: Prof. John Scudder, M. D. and Prof. John King, M. D., Authors of the American Dispensatory, and scores of others among the leading medical men of our land. Who can doubt the curative virtues of a medicine the ingredients of which have such a professional endorsement?

Constitution cured by Doctor Pierce's Pleasant Pellets. One or two a dose.

RELIGIOUS

BAPTIST CHURCH—Rev. M.
B. Adams, D. D., the pastor, will preach at 11 a. m. and 7:30 p. m.

Everybody invited to attend.

WILD GEESE AND WILD DUCKS.

On Monday night, while the rain was coming down in torrents, a flock of wild geese, who were flying over the city, became bewildered by the electric lights, and some of them alighted on the South Side, and remained until the lights went out, just about daylight. They "honk-honked" pretty lively for a while.

There have also been a great many wild ducks on the creeks and river lately, affording nice sport for hunters.

DID YOU KNOW?

ASCENSION EPISCOPAL CHURCH—Rev. A. B. Chinn, the rector, will preach at 11 a. m. and 7:30 p. m.

Father William's Indian Tea gathered in the Rocky Mountains, acts directly on the Mucous Membrane, purifies the blood and cleanses the entire system of the microbes and germs of Catarrh, Hay Fever, Asthma, Bronchitis, Coughs and Colds.

To all sufferers of these troubles, we recommend it, believing a course of Father William's Medicine will produce better results than any other in the market. Tea or tablet form, 20 cents. For sale by Frankfort Drug Co. 1

Franklin county will have many and important interests that will claim the attention of the next General Assembly, and the people, who are really interested in the welfare of the city and county, should carefully consider before committing themselves, as to the person who shall represent them in that body.

It will be conceded by every one familiar with the legislation of the last four years, and especially that consent? legislation, directly affecting the interests of the city of Frankfort, that Col. E. H. Taylor was an important factor, and that the appropriations made by the Legislature for the building of a new capitol were due, almost entirely, to his

efforts, and to the influence he wielded in both branches of the General Assembly.

While it is true that the appropriations have been made, contracts let, and the buildings are in course of construction, the people should know that many perplexing and important details of construction will claim the attention of the incoming Legislature, and that it is more important now, than at any time in the history of the county, that we should have an efficient and influential member to take care of and watch our inter-

It is not known whether Col. Taylor would again consent to stand as a candidate. Every citzen of Frankfort knows his large business interests, and how much he has sacrificed in the past for the city and county, and how much he would sacrifice if he would again consent to be our Representative. But his many friends, knowing his love for Frankfort and her good people, are desirous that he should make the sacrifice and announce his candidacy. Will he
